**HOLIDAY HOMEWORK 2018-19**  
**CLASS – IV**

**Year 2018–19 is dedicated to Mother Nature.**

**‘Exciting time is here again! It’s time for summer vacation and fun filled activities’.**

Dear Parents,

Children are reservoirs of potential which needs to be tapped and channelized in diverse ways. We at Silver Line feel that it is very important to fire their imagination and foster an outlook that helps them explore, discover and rediscover. Children should be encouraged to develop intellectually and physically. Summer vacation is the best and fruitful time for learning and nurturing creativity. It is the time when you can connect with your child in many ways. The Holiday homework designed would enhance creativity of your child. It would teach your child to work independently and improve has/her basic academic skills, such as reading, writing and spellings. It will also help to develop personal skills and time management.

- ❖ Spend quality time with your child. Take your ward for outings and have fun time together.
- ❖ Help your child to become independent by giving responsibilities.
- ❖ Inculcate good manners, healthy habits and respect for elders.
- ❖ Converse in English with your ward.
- ❖ Encourage your child to read books to enhance the language skills. Reading will help to improve the interpretative skills and provide valuable literary experience.
- ❖ Cultivate sportsmanship by encouraging your child to play various indoor and outdoor games.
- ❖ Let your child spend time with grandparents. Their love and emotional support is very important for your child.
- ❖ Share stories about your childhood and your family history.

Remember that summer vacation is the time to relax and enjoy. So make your ward utilize these holidays creating a nurturing and stimulating environment filled with fun, frolic, learning and education.
