

CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

Silver Line encourages each child to participate in all the activities held in school, to enable the students to develop a holistic personality with enhancement of leadership, life skills, social interaction, time management skills, self-confidence building and team work.

The school activity calendar is a judiciously planned mix of literary, cultural and sports events. Students are encouraged to participate in a variety of competitions and cultural events. In addition to calendar events, special school assemblies are organised to mark important calendar events, festivals and national occasions to familiarize the students with Indian culture and traditions. Special emphasis is given on the participation of girls in outdoor and sports activities.

The students opt for one of the following clubs to suit their aptitude and enhance their skills further.

- Science Club : Exhibits & displays
- Theatre Club : Role plays & skits
- Music Club : Vocal and Orchestra
- Dance Club : Excelling in various dance forms
- Literary Club : Improving recitation & speaking skills
- Interact Club : Involvement in community services.

Silverline Prestige School Interact Club is a service organization, sponsored by the Rotary Club of Ghaziabad Central. It gives an opportunity to students of Classes IX-XII to discover the power of 'Service above Self' by participating in meaningful service projects, developing their leadership skills and making new friends around the world.

SPORTS

- Special training and instruction is provided to the students in the sports like Athletics, Basketball, Netball, Yoga, Archery, Chess, Skating, Football, Volleyball and Badminton.
- Workshops are organized by the experts in various sports for students. Children from other schools are also invited to participate.
- Selected promising sports talents are given specialized coaching after school hours.
- Students are provided with opportunities to participate in various sports events at Inter school, District, State & International level.
- We also follow a Sports Calendar which includes regular sports activities throughout the year.
- Surprise friendly matches at class level are organized and winners are rewarded.

- Annual Sports Day is celebrated where the students excelling in sports are rewarded with trophies and medals.
- On the basis of points secured, Sports Girl and Sports Boy are selected every year and are honoured with medals and prizes.

Scoute & Guide:

Scouting aims at contributing to the education of young people, through a value system based on the Scout Promise. The motto of Scouts and Guides' (for children ages 10-18) is 'Taiyyar' (Be prepared).

The Online Chess Academy helps children to improve their concentration and learning capacity. This program not only helps them to be focused and disciplined, but also polishes their decision-making ability.

SCHOOL FACILITIES

a) CLASSROOM- Every classroom is technology- enabled equipped with interactive flat panels. The device is complete with a camera installed on top of it, The IFPD's in all smart class rooms are connected to a dedicated server which allows teachers to use a large repository of curriculum based digital content in order to create a multi-sensory learning experience for the students. Classrooms are fitted with AC, Heaters & CCTV to provide comfort to the students and all time vigilance too.

b) SECURITY- Silverline Prestige School has taken necessary permission from local authorities for infra and development barricades and sign boards are installed for the smooth moments of school transportation.

- Water storage has been taken care of , we provide helpers with the kindergarten.
- Utilization of CCTV'S in terms of keeping things on track.
- Adequate precautions are taken with regard to the movement of children inside and outside the campus.
- Our school transportation is facilitated with proper GPS trackers along with verified drivers.

- When the child is leaving the school premises we follow the proper protocol by providing them the outpass which is cross checked at various levels.

c) **TRANSPORT-** SLPS has its own fleet of well maintained buses for the safe transportation of students in all parts of the city and nearby areas. Buses are fitted with GPS, Camera and speed governors. The parents have the facility to track the live location en route to their ward.

d) **CCTV-** For the safety and security of the students the whole campus is under the continuous monitoring of more than 300 CCTV cameras.

e) **LIBRARY-** The library of SLPS with its excellent collection of books, periodicals, newspapers, multimedia and a variety of digital/online services, acts as a support and inspiration to the teaching and learning community of the School.

f) **AUDITORIUM-** SLPS has 3 centrally air-conditioned auditorium-cum-multipurpose halls with a seating capacity of around 600 is available. The auditoriums are equipped with the latest lighting & audio visual system.

g) **LABS**

The Senior Secondary Branch is well equipped with Science labs for Biology, Chemistry, Physics & Integrated Lab. Other state-of-the Art Lab provided are Computer, Maths Lab & Language Lab.

h) **Virtual Desktop Infrastructure**

Students at SLPS need to access computer applications that require high computing capability. SLPS has installed 'Virtual Desktop Infrastructure' to allow our students to remotely access the computing power from their home and Wi-Fi network at school. Since heavy computing happens on VDI in school, Students only need a basic computer that supports a browser. This way parents are not required to invest in expensive computers for their wards to work on heavy applications such as Blender, unity, etc.

i) **Wireless Internet Connectivity**

Pedagogy at SLPS relies heavily on use of Technology in classrooms. SLPS prides itself in being recognised as a 'Google Reference School'; one of the only few in the country. Whether its

teachers and students using the Chromebooks to manage academics and deliver learning outcomes OR students using industry grade tools such as Blender & Unity for 3D modeling; **the WiFi network with 155 MBPS of dedicated leased line provides a seamless connectivity & and lag free experience to more than 700 concurrent users on our network.** The network is secure with dedicated firewalls and protective infrastructure.

GOOGLE REFERENCE SCHOOL

The Google for Education Reference School program recognizes schools, that provide students, teachers and administrators access to Google Workspace for Education and managed Chromebooks.

We are recognized due to our exemplary, impactful uses of Google's technology across the organization and are willing to share our practice with others. We are focused on professional development to foster innovative learning environments; ensuring the staff is equipped with the skills required to use technology effectively in a blended learning environment.

INFIRMARY

School has a fully equipped infirmary with first aid facilities. A full-time nurse and a visiting doctor who takes care not just of the day to day emergencies. In case of emergency children are referred to nearby hospitals.

9. VISUAL & PERFORMING ARTS -

At SLPS, we believe that art is a celebration of life itself. We inspire our students to develop an appreciation of the arts painting, music, dance and theater. Children are introduced to Visual and Performing Arts from an early age. Fine Arts, Theatre, Dance and Music are offered to hone skills in vocal and instrumental music, dance and drama.

SCHOOL BAND- At Silverline, it has always been our endeavor to stay ahead of times. In 2012 a school was formed which happened to be the first school band in the city. It is a Bagpipe Band. SLPS has won prizes in many competitions, and secured 1st position at District level competition (2018) and in Inter school Band competition (2022). Our Band has also the honor of performing at the National War memorial and at many national and state events.
