Other Details:

Primary and Secondary Admission

- a. Admission to primary and secondary classes is open to students from other recognized schools, provided they meet the school's eligibility criteria.
- b. Transfer Certificate from the previous school and other relevant academic records are mandatory.

Admission Process

At initial level a Query form is given to the admission information seekers from the school through which the basic information about the student & his parents are made available to the admission counselor.

School prospectus is provided free of cost to the parents at the time of registration. It can be procured from the Admission counselor on any working days between 9:00am to 4:00pm.

School tour can be arranged for the admission seeking parent. The request for the same can be made to the admission counselor. Preferable days for school tour are Friday & Saturday.

Admissions are open for Foundation to Class IX and XI.

After submission of duly filled enrolment form alongwith the documents, a Scholastic Ability Evaluation is scheduled (Class VI onwards) to appropriately place the student in prospective class.

Thereafter, the parents are invited to meet the Head Academics/Principal (as date and time allotted through a pre scheduled appointment).

Registration form along with a list of documents required is provided to the parents with essential guidelines.

- a) Recent passport size photographs of both parents & student.
- b) Age proof required for the students.
 - i. Aadhaar Card - both parents & students.
 - ii. Birth Certificate (from Municipal Corporation).
Original will be required for verification at the time of submission duly filled registration form.
- c) Photocopy of Previous 3 classes progress report/report card.
(Applicable for the students applying for grade IInd & above).
- d) Certificate of the student's Co-scholastic activities for reference purposes.
- e) T.C. issued from previous school to be submitted.

Important Deadlines

All deadlines for submission of application forms, documents, and fees will be clearly communicated through official notifications in writing.

Fee Structure

Details regarding the fee structure will be provided to the parents/guardians during the admission process. The school follows a transparent fee policy in compliance with regulations set by education authorities.

Admission Confirmation

Based on the interaction and/or assessment, successful applicants will receive a formal admission offer. Upon payment of the prescribed admission fee and submission of required documents, the admission will be confirmed.

Withdrawal Policy

In case of withdrawal, parents must submit a written application to the Principal. Refund of fees will be as per the school's refund policy, details of which will be communicated during the admission process.
